Alan Keyes,

Dec 2004

GOD the Spirit pressed us to relay some pertinent Spirit induced material for your perusal-study thru prayer/fasting.

GOD had me touch your lapel at the train station, a distinct, non P.C. action in politics, to catch your attention, but not unfriendly in His circles.

GOD Continues Gen1:27

**GOD creates male and female
today as He did in Genesis and calls them to,
"Be fruitful and multiply..." His natural process.**

GOD is having Alan Keyes obsessed with Genesis ([Chicago Sun-Times](#) interview Aug 22 2004) to truly comprehend His holy truth and share.

**GOD-given free will to honour GOD or their own lust Rom1 1Cor6+7
was partially explained by Keyes on Edwards' radio program recently.**

Q: "If, in fact, as some scientific studies suggest, that being homosexual is, in fact, biologically determined, what then would be wrong with granting rights, and even the right to marry?"

A: "First, no study has made such a determination. . . . And I say that unequivocally. I've looked at the question many times. Second, we are all in a certain sense genetically and biologically predisposed to a kind of sexual promiscuity. We want to engage and indulge our sexual appetites in ways that have no respect for basic human requirements, conventions, family responsibilities and so forth. That's not just true of homosexual people. That's true of heterosexual people. Healthy, red-blooded males who are sexually attracted to every attractive woman they see, and vice versa.

"We as human beings cannot assert that our sexual drive is uncontrollable. If we do, civilization is ended. These are not things we can't control. Our passions are precisely subject to our moral will and our rationality. That's what makes us human. So if you're going to tell me that the sexual impulse of anybody -- not just homosexuals -- is uncontrollable and you've got to do it, then you have removed us from the realm of human moral choice and you have consigned us to the realm of instinctive necessity and animal nature. And we are not there. I will not deny our humanity.

"So I think that in this area as in all the areas of passion: our anger, our greed, our resentment, our jealousy -- these are all passions that can be very strong in us but which we know must be disciplined and regulated by our moral will for the sake of conscience and human community. And we have to expect that of one another. Do you realize that the very idea of freedom and self-government is absurd if we are, in fact, subject to uncontrollable passions? Then we're not free. We're slaves to our passions. But that's not so. We believe in this country, in liberty, in . . . true moral choice. And that moral choice is possible with respect to sexual action to such a degree you don't even have to engage in sexual activity. You can refrain from it altogether, if you think that is required by the dictates of moral conscience. And that capacity shouldn't be denied in any human being. And I don't think it's a question of homosexual or heterosexual. It's a question of humanity."

[GOD's inerrant word is rarely, fully believed, so very few qualify into Jn3:15,16 "believing into Him," to attain life, to be saved.](#)

GOD's creation process in Gen1:27,28 is natural law, but evil man is endeavouring to establish his own law, so GOD's grace, love, power is thwarting man's intent as He protects His flock Jer23 Ez34 from the evil elite.

GOD's special nurturing of His flock from 2000-2017 is akin to **His Hand on the USA** and **His Mat24:14 evangelism**, ensuring right-minded leaders guide-sustain His law that His flock benefit, grow, prosper to witness His love.

GOD, from Jan 2017, repeats the **1960 spiritual dryness** to refine-test His flock to refuse satan thru the elite; but most fail, giving consent to Dan7:25 Rev13:16; 18, yet His chosen, few, saints overcome all Rev3:9-12 into 20:6.

GOD is repeating His special nurturing, as in Ex19; 20 etc, revealing Himself to teach the global multitude **Lk21:27** that His few, His remnant copy Joshua and Caleb to enter and be steadfast to the end Mk13:13 Heb3:6,14.

GOD is awakening your heart to truth, in that your Sun-Times piece of June 6th '04 tells us that you are just now realising the great gulf of America's cultural divide.

GOD is judging this nation, as never before, to respond to His law, His values, His way, in short, His full gospel.

GOD, progressively, will drive a wedge between the moral seekers and those on the left who care only for individual rights. This will continue for some years (several presidential elections), then He will take away His grace to test-judge USA very clearly (in the open) 2Chronicles32:31 Jeremiah23 Ezekiel34 Matthew23 into Rev19:15.

GOD always judges "teachers" more harshly, in that they KNOW and are supposed to share ALL; this, today, particularly applies to the media.

GOD in flesh, Christ, was the most positive MAN who walked this earth; negative attitudes, laws, ways are of satan.

GOD, for some years, will infuse a positive stream thru US society, as seen in the 80's: [Note The Wall Street Journal's "The Reagan Restoration" - June 7, '04](#), to see the vast left wing negative, destructive media today that are misleading USA.

GOD's divisive wedge is drawing moral seekers to Himself,
yet allowing others free choice to **reject His truth, His way.**

2Thes2..10 ... did not receive the love of
the truth, that they might be saved.

**11 And for this reason GOD will send
them strong delusion, that they should
believe the lie,**

**12 that they all may be condemned who
did not believe the truth but had
pleasure in unrighteousness.**

2Thes1..8 in flaming fire taking
vengeance on those who do not know
GOD, and on those who **do not obey the
gospel** of our LORD Jesus Christ.

**9 These shall be punished with
everlasting destruction from the
presence of the LORD and from the
glory of His power.**

**GOD is allowing the increasing global cultural divide, as most
seek selfish individual rights, against His holy law-virtues.**

**GOD is allowing the US judiciary to undermine legal precedent
thru absurd, nonsensical rulings favouring the lawless majority.**

**Ps94..20 Shall the throne of iniquity,
which devises evil by law, have
fellowship with You?**

**GOD is proving the above thru the attack by lawless, unqualified
workers, evil-minded lawyers and equally minded compliant judges**

"Class Action? Third Aisle to the Left"

by Steve Malanga in Wall Street Journal - Opinion - June 29 '04.

GOD will allow the USA to betray the Hebrews and ignore the Arab destruction of Israel.

The Clinton administration saw him as the one man who could "deliver" the Palestinians to make peace with Israel. The peace camp in Israel, championed by the late Yitzhak Rabin and Shimon Peres, more or less agreed: to them, Arafat was the thug who'd keep the Palestinian street quiet. Arafat strung them along, more or less, until his bluff was called by the Israeli peace offer at Camp David in July 2000.

After that, there was just no point in keeping up appearances, and so came the intifada. It was a premeditated act. As Arafat had already told an Arab audience in Stockholm in 1996, "We plan to eliminate the State of Israel and establish a purely Palestinian state. We will make life unbearable for Jews by psychological warfare and population explosion . . . We Palestinians will take over everything, including all of Jerusalem."

Jerusalem Post, is a member of the Journal's editorial board.*

Arafat never espoused any vision of the kind of state he wanted for his people. He projected no sense of civil society, no social or economic philosophy, no consolidating statecraft. He enunciated no constructive hopes, but only repeated the mantra of leading a million Palestinian martyrs into Jerusalem. In continuing to encourage the Palestinian refugees and their descendants to believe they would ultimately return to their homes of a half a century before and making that a deal-killer at Camp David, he steadily championed a formula for the elimination of Israel, the only tangible goal that his voiced aspirations ever added up to.

In recent years, Arafat had been unmasked not as a peace partner but as the main roadblock to peace. In a recent book, Dennis Ross, the Clinton administration's special envoy to the Middle East throughout the Oslo years, spared no words in laying directly on Arafat the blame for the failure of the peace talks and the resumption of violence in 2000. "Arafat could not do a deal that ended the conflict. ... He could live with a process, but not with a conclusion," Ross wrote.
