Part 4

Mr. Charles Colson

GOD's dictated letters to you [May '97](#), [Jan '98](#) + [Jan '99](#) were disbelieved, discarded, disregarded, which leaves the LORD no choice, but to [severely chastise](#) you and PFI for rejecting His call.

GOD promised to use PFI to teach the full Bible truth, to obey and honour Him by working to support ministry 100%, to own private prison facilities, all part of His end-times plan, witness, work.

[GOD's hard work](#) upon PFI includes the lawsuits to alert/warn you that current operations are contrary to His will, to induce change, to facilitate [His power](#) thru PFI, to draw thousands into repentance.

[GOD's hard work](#) will fulfill His promises that His true institutions mirror, portray, witness His holy nature, 100% contrary to the existing worldly so-called Christian efforts of evil man/institutions.

love,
Robert Bristow
