### **GOD's simple meritocracy**

**GOD's grace was partially lifted 3x4 years after 1948, so allowing the 60s Cultural Revolt; a new culture of depravity, devalued virtues, etc., which the social elite began and used to form-foster a new underclass, an insidious bigotry.**

**GOD allowed 4x10 years of: utterly debilitating messages that the poor underclass were victims; creating gov't policy to enslave the poor in welfare; turning vice and criminal behaviour into a disability; but now meritocracy is returning.**

**GOD allowed 40 years of depraved-evil man: to "manage" his worldly affairs; to prove his "love" of his neighbours; to share His kingdom principles or the "freedom gospel" to the world; but man failed miserably, so GOD must rule.**

### Democratic Culture

**Ps33:12 Blessed the nation whose GOD the LORD**

**GOD thru history has specifically benefited-graced-prospered those communities-nations seeking to adhere to His holy laws, Biblical precepts of equality, freedom, love Ps33; 37:11-20; 30-32.**

**GOD's freedom principles "naturally" flow into democratically elected governments, all thru His grace, love, power Ps44:1-8, to benefit millions (India) for the sake of a few believers.**

**GOD's enemies** despise His holy law Ps2:1-4; 83:1-6; 94 2Tim3 so hate democracy, murder peace-seekers, rebel-war against elected governments, even support global terror.

**GOD's enemies** despise established societal laws for peace and harmony, advancing individual-special rights thru **Ps94:20** or evil-hateful interpretations Is10, claiming to be just Jn8 1Jn2:18,19.

## **GOD-given Freedom includes freedom from poverty**

**GOD is proving to clear thinkers that poverty is caused  
by personal or national corruption of values, not a lack  
of financial resources, or to quote Betsy Hart in Chicago Sun-Times:**

***"It is systematically caused by corrupt or distorted  
(government) regimes and economic systems."***

**GOD's kingdom principles alleviate-eliminate poverty among  
true participants, personal and national, by sustained  
economic growth, by productive work, by honest effort.**

**GOD is bringing the media elite to realise partial truth,  
whereby Betsy Hart asks a soft question in Chicago Sun-Times,**

***"The 'do-gooders' have gotten it so wrong, so often  
and so obviously that one is left to wonder,  
are they really trying to do good?"***

**in her article about Mona Charen's new book concerning the  
culture at large and the "extraordinary damage liberal policies  
have wreaked on American culture, from crime to race relations,  
to poverty, to families, to our educational system and more."**

**GOD's hard truth to His hearers-listeners is loud and clear;  
the evil liberal elite are outright oppressors, making every  
attempt to bring the people into bondage-slavery-subjection,  
by using cunning policies that seem to advance equality.**

**GOD's system of entitlements is thru hard work that  
qualifies any mental aptitude to His benefits based wholly  
upon living-working His kingdom principles Gal5:6.**

### Moral Conduct Originates In The Mind

By A. W. Tozer

It will probably be found at last that there is no sin except sin of the mind.

It is the carnal mind that is enmity against GOD, that is not subject to the law of GOD, neither can be. It should, however, be remembered that when the Bible speaks of the mind it does not refer to the intellect alone. The whole personality is included in the concept. The bent of the will, the moral responses, the sympathies and antipathies are there also, as well as the intellect.

When GOD saw the wickedness of man, that it was great in the earth, He saw what could not be seen from the outside, that, as it is rendered in one translation, "the whole imagination, with the purposes and desires of the heart" was only evil continually (Gen. 6:5.) From this passage alone we may properly gather that sin has its seat deep within the mind where it pollutes the emotions (desires,) the intellect (imagination) and the will (purposes.) These taken together constitute what the Bible and popular theology call the heart.

It is significant that when our LORD describes the stream of iniquity as it flows out of the heart, He begins with the thoughts. "For out of the heart proceed evil thoughts, murders,

**Mat12...33 "Either make the tree good and its fruit good, or else make the tree bad and its fruit bad; for a tree is known by fruit.**

**34 "Brood of vipers! How can you, being evil, speak good things? For out of the abundance of the heart the mouth speaks. 35 "A good man out of the good treasure of his heart brings forth good things, and an evil man out of the evil treasure brings forth evil things.**

**36 "But I say to you that for every idle word men may speak, they will give account of it in the day of judgment.**

**37 "For by your words you will be justified, and by your words you will be condemned."**

adulteries, fornications, thefts, false witness, blasphemies" (Matt. 15:19). It is doubtful whether any sin is ever committed until it first incubates in the thoughts long enough to stir the feelings and predispose the will toward it favorably.

Even the sudden flash of anger, which of all sins would appear on the surface to have the lowest mental content, is anything but a sudden eruption of the emotions. The "quick-tempered" man is one who habitually broods over wrongs and insults and thus conditions himself for the sudden fit of temper that seems to have no mental origin.

The heart that has had the benefit of broad, sane thinking on moral questions, especially long meditation upon man's sin, GOD's mercy and the goodness of Christ in dying for His enemies, is not conditioned to blow up when occasion arises. The worst reaction to an affront or an injustice will be annoyance or mild irritation, never a burst of sinful anger.

### Undisciplined Thoughts In The Heart

The psalmist exhorts us, "sin not, commune with your own heart upon your bed, and be still" (Psa. 4:4.) What can this mean but that moral conduct, good or bad, originates deep within the mind? The thoughts dwell upon an act or course of action with interest and consent; this stirs the affections which in turn trigger off the will to the act under contemplation.

The sin that follows may be so base, so physical, so obviously "of the flesh" that no one would dream it began as an undisciplined thought in the heart. The rich fool "thought within himself" and as a result took a course that cost him his soul (Luke 12:16-21.)

All our acts are born out of our minds and will be what the mind is at last. This is clearly taught in the word. "Keep thy heart with all diligence, for out of it are the issues of life" (Proverbs 4:23,) refer Pr23:7.

Even repentance must begin with deep, reverent thought. David said, "I thought on my ways, and turned my steps unto Thy paths" (Psa. 119:59,) and it is plain that the prodigal son thought things over very seriously before he could get the consent of his will to humble himself and say, "I will arise and go to my father, and will say unto him, Father, I have sinned" (Luke 15:11-32.)

It is something of a happy paradox that while the thoughts deeply affect the will and go far to determine its choices, the will on the other hand has the power to control the thoughts. A will firmly engaged with GOD can swing the intellectual powers around to think on holy things. Were it not so, Paul's words to the Philippians would be psychologically untenable: "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things" (Phil.4:8.)

Since we are here commanded to think on certain things it follows that we can command our thoughts; and if we can pick the objects upon which to meditate we can in the end sway our whole inner life in the direction of righteousness.

It is much more important that we think godly thoughts and will to do GOD's will than that we feel "spiritual." Religious feelings vary so greatly from person to person, or even in the same person, they may vary so widely from one time to the next, that it is never safe to trust them.

Let us, by a determined act of faith, set our affection on things above (Col3:1,2,) and GOD will see to the rest. The safest, and after a while the happiest man is the one who can say, "My heart is fixed, trusting in the LORD" (Psalm 112:7.)

**GOD is showing clear thinking types like Betsy Hart that His positive stream drew millions of Iraqis to vote, despite the bombs and threats from the terrorists.**

**GOD's positive stream will continue to sway clear thinking types to His opportunities, to His possibilities, enabling even more millions to work for freedom.**

**GOD's positive stream will continue another 7 years, for a total of 12 years (2000-2012), effecting His agenda thru many nations, all promised in His holy inerrant word.**

## GOD's Moron Majority

GOD is using ordinary citizens as His **moron majority** to receive His positive stream of ideas and share them, that His **free-market principles** spread thru all vocations/believers, that His networked workers become active facilitators for His agenda globally.

GOD's **moron majority** participate in His moral culture and adhere to His moral instruction, enabling them to know the right way, being His counter to the proud, elite liberals, and being His conservative, thinking, policy-conscious **participants**.

GOD's ways are hidden to most "believers" due to unrepentant sin, blind-deluded-lost 2Cor4:4 2Thes2:7-12; 1:8,9 2Pet2 Jude 1Jn3:8,10, but His moron majority "see thru" the contempt-guide of satan thru the **church, gov't, judiciary, media, non-profits, business**, as of satan's rule.

Read: Karl Zinsmeister in **WSJ** Sept 2 2004 "Dem de la Creme" or e-mail Karl of the American Enterprise - **TAEmag.com**.

Note: **Betsy Hart** and **Mary Mitchell** are becoming media-based thinkers rather than ignorant liberals.

In this election, the plebs were more mature than the elites:

For many of us, the war is also a moral issue, and the (others) are on the wrong side of it, standing not with the women voting proudly in Afghanistan's first election but with the amoral and corrupt U.N.

**... along with the amoral countries  
that refused to support the opposition to world terror.**

**P.S. to Betsy Hart:**

**GOD is awakening your heart to truth, in that your Sun-Times piece of June 6th '04 tells us that you are just now realising the great gulf of America's cultural divide.**

**GOD is judging this nation, as never before, to respond to His law, His values, His way, in short, His full gospel.**

**GOD, progressively, will drive a wedge between the moral seekers and those on the left who care only for individual rights. This will continue for some years (several presidential elections), then He will take away His grace to test-judge USA very clearly (in the open) 2Chronicles32:31 Jeremiah23 Ezekiel34 Matthew23 into Rev19:15.**

**GOD always judges "teachers" more harshly, in that they KNOW and are supposed to share ALL; this, today, particularly applies to the media.**

**GOD in flesh, Christ, was the most positive MAN who walked this earth; negative attitudes, laws, ways are of satan.**

**GOD, for some years, will infuse a positive stream thru US society, as seen in the 80's: [Note The Wall Street Journal's "The Reagan Restoration" - June 7, '04](#), to see the vast left wing negative, destructive media today that are misleading USA.**
