## GOD's Special Nurturing

Dear Learned Writers,

GOD is using businesses, nations, global sectors to accomplish His agenda, His goals thru His [free-market principles](#) to benefit  
a) His flock, b) other Bible believers, c) the lost, d) all mankind,  
eg the British infrastructure, one common language, etc, [helps all Indians](#).

[GOD's positive stream](#) is drawing many back to Bible truth,  
to cleaner, healthy, repentant lifestyles, to participate in  
His institutions, to sacrifice and serve in order to know Him,  
to [participate](#) in His management [Is9:6,7](#), to share [His love](#).

GOD's special nurturing of His flock from [2000-2017](#) is akin  
to [His Hand on the USA](#) and [His Mat24:14 evangelism](#),  
ensuring right-minded leaders guide-sustain His law  
that His flock benefit, grow, prosper to witness [His love](#).

GOD, from Jan [2017](#), repeats the [1960 spiritual dryness](#)  
to refine-test His flock to refuse satan thru the elite;  
but most fail, giving consent to [Dan7:25](#) [Rev13:16; 18](#),  
yet His chosen, few, saints overcome all [Rev3:9-12](#) into [20:6](#).

in Christ's love,

### GOD's simple meritocracy

GOD's full gospel or His kingdom principles are His provision to fight **the curse of poverty**, since disobedience to His law results in Deut11:28 Rom2:9 1Jn3:4,8, so poverty is essentially a 100% moral issue.

GOD's full gospel expects all to seek His provision Mat6:33, but most reject His way, His truth, His abundance Ps66:8-12 Jn10:9,10 as they refuse His simple Mat19:17 Heb5:9, so forever cursed 2Pet2:14.

GOD's full gospel delivers us From evil Mat1:21 Gal1:4 1Jn3:5, Out of poverty of values or out of immorality to learn His kingdom laws or **His kingdom principles or His kingdom values-virtues or His ways**.

GOD's full gospel is 100% contrary to the **humanistic-social gospel** which is **cursed Gal1:8,9** as it enslaves the soul to a false hope, to a message of dependency into death - spiritually + physically.

hence

GOD's enemies include the likes of **Jim Wallis** 1Jn2:18,19 who teach abuse, addiction, promiscuity - even terrorism - require rewards thru entitlement programs, rather than change-repentance.

## **GOD's simple meritocracy**

**Heb4.. 12 For the word of GOD is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.**

**GOD's participants experience  
His Spirit wedge dividing His family  
into values seekers and the majority who reject values.**

Witness: Jim Wallis in USA Today,  
A Question of Values, Dec 20 2004,  
wherein he asks;  
"Will values be used as wedges to divide us?"

**Jim Wallis is typical of mickey mouth Christians who confess the LORD but are far from Him, rejecting Mat10:34-39 and misteach Mat25:40 that Christ sins, rather than Heb2:17; 3:1, proving Col1:2 "brethren in Christ" as in 1Jn2:6; 3:6,24 etc.**

**Lk12... 51 "Do you suppose that I came to give peace on earth? I tell you, not at all, but rather division.**

**52 "For from now on five in one house will be divided: three against two, and two against three.**

**53 "Father will be divided against son and son against father, mother against daughter and daughter against mother, mother-in-law against her daughter-in-law and daughter-in-law against her mother-in-law."**

Elders,

See, Know Him

Sep '95

**"Whosoever abideth in Him sinneth not: whosoever sinneth hath not seen Him, neither known Him." 1Jn3:6**

GOD, in Gen-Rev, clearly calls believers to see, know Him, most disbelieve and lost in eternal outer darkness.

GOD, in N.T., says we must see, know Him just to be born again Jn14 1Jn2:3,24,27 tho merely dim, lukewarm, vague.

GOD's true children see, know His face 1Cor1:30; 2:6; 13:10-12 if Zech13:9 Mal3:3 Mat3:11 1Pet1:7 Rev3:18-21 then Jn10; 15; 17:3.

GOD's true servants see, know Him at Moses, Paul level Amos3:7 Heb1:1 (fathers in the Son) Rom8:29; 12:1,19 Eph3:19b; 4:13d living in death, rejoicing.

GOD, from '84, insists I die daily to live in Him, to see, know Him, to Jn16:12,13,25, to be His scribe, to serve thru Mic5:5 Rev1:20.

GOD's Acts15:16 will copy Acts2:42-47; 5:42; 6:3(7 CCCInc. globally); 7:55-60 [to fulfil Rev17:9(3:7-13) till 16:19(11:11)].

GOD's true believers are His tenth, tithe, or seed, planted to grow more Lk17:15,18 Jn15:2 Rev11:1 till as Christ 11:2 into 11:7 into 11:13 so Is6:13.

GOD, from '84, plants me thru abuse, rejection, suffering to pray 5-12hrs. 7 days a wk against satan in the church.

GOD, from '84, reveals 100% truth that His Acts15:16 Jer23:4,5b 1Jn5:8 Rev11:3,4 bind satan and cast evil into hell.

GOD's enemies Jn8:44 Acts20:29 continue till 1Cor15:25 2Pet2:1,14 into Mat10:28 1Cor3:15; 5:5(Zech13:8 Ps1:5 1Pet4:17,18).

GOD wants full repentance so Mk4:28 Lk3:17 that His sheep, seed see and know Him 1Jn3:6 lest Mat7:21-23; 8:12; 22:13; 25.

GOD says no darkness or sin abides in Him 1Jn1:5; 3:5 yet satan teaches all willful sinning believers abide in a holy GOD.

Mr. Richard Stearns,

GOD promised to **liberate the oppressed spiritually and physically**; thru living as Christ Jn8 1Jn2:6 into Rom6:18,22; 8; 14:17 Heb12:22,23 and by His Zion caring for the material needs of His creation.

GOD intends to qualify, network, prosper agricultural businesses to form global co-operatives to equalise commodity returns and advance fair trade practices to counter current **abuse, corruption, greed**.

GOD intends to affect-benefit-bless mankind according to each one's level of obedient faith, thru Zion Joel2 Obad17,18, for His glory-witness as Zion is His chosen benefactor to all, His true co-workers 2Cor5+6 Rev20:6.

GOD's **Freedom Corps** will fulfill Ps110:3a in obedient faith Phil2:12 Heb5:9, ensuring business supports ministry in every endeavour **Gal5:6 Phil2:17** thru **self employed opportunities** open to **Jn14 level participants**, tested annually.

**GOD's free-market principles have the ultimate goal of using complete national economies as macro-global resources for the sole purpose of sharing the global production more equitably.**

**GOD is proving that free trade brings sizeable benefits to rich and poorer nations alike, contrary to the protectionists' beliefs, as seen in research by Gary Hufbauer (Georgetown), Scott Bradford + Paul Grieco.**

**trade liberalisation for America annually**

**Read: "A Malaria Success" in NYT Mar 27 2005.**

**GOD's positive stream is showing the clear minded economists and foreign aid thinkers that the \$trillions spent have largely been wasted and much is in Swiss accounts.**

**GOD's NGOs are perfectly positioned to more efficiently change the corrupt foreign aid process into a far superior, success oriented business funded development assistance program.**

Economies are built from the ground up, by entrepreneurs who have ideas and are willing to take some risks to start a business and make it grow. If the business is legal, governments can contribute mainly by staying out of the way, something they are not inclined to do in many poor countries.

Governmental institutions have a different incentive structure from private firms. Private-sector workers are rewarded for problem solving. The public sector has no such incentive because the continued existence of the problem keeps them budgeted and in business.

**Economic freedom is the handmaiden of the modern world's political freedom because it empowers individuals.**

**GOD used an NGO, Rotary Int., to spearhead the eradication of polio in 1985; it has disappeared from the Americans, Europe and the Western Pacific.**

**GOD has some clear minded foreign policy writers seeing  
thru the corruption-fog-lies of satan's agents who claim  
to be experts, but instead they propose evil, destructive policies.**

**GOD even uses sinners to espouse His principles, His ways,  
as they are Bible based, so believed, lived and taught by those  
of His true flock, fully respecting the need of sacrifice + service.**

**GOD has Claudia Rosett expose the treacherous policies in a new book:**

What stymies the people in poor countries, as a rule, is not a lack of aid. It is forms of government, often corrupt and tyrannical, that do not allow people to exercise free choice under fair law. Unfortunately, aid plans have a long history of reinforcing precisely the lousy governmental varieties that keep people poor.

Along the way he (Jeffrey Sachs) deplores U.S. military spending, although the U.S. Army, in this millennium and before, has done more to eliminate poverty than any aid package ever could, by removing dictators who cause it.

Ending poverty is devoutly to be desired. If the U.S. cleaves to its own democratic principles in its dealings abroad, we do seem headed for a richer world for all. But no one is going to get there by flipping through the pages of this book.

**GOD is showing  
clear minded foreign policy people  
that aid, even thru MCA, is not as effective as thru NGOs.**

Former World Bank senior economist William Easterly noted that during the 1990s, the World Bank and International Monetary Fund "gave 10 or more conditional loans each to 36 poor countries....The average per capita growth rate in this group during the past two decades was zero." Easterly observed: "The World Bank has had in place 'performance ratings' as a basis for loans since 1977, yet still delivered more to bad performers than to good performers into the 1990s." Even if the program eventually runs as advertised, MCA aid will not counteract the corrupting effect of all the other foreign aid the U.S. continues to give out.

The best foreign aid consist of (global) citizens deciding which non-governmental organizations are worthy to receive their donations or investments. This is a far more effective check against waste, fraud, and abuse than anything (the world) will ever design.

## **GOD's positive stream is drawing Bible believers to stand for Him.**

"In Ohio, the church is awakening to its historic role as the moral voice in the community," said Colin A. Hanna, president of Let Freedom Ring, a conservative group based in Pennsylvania that trains ministers in political activism. "Ohio is in the vanguard of that nationally."

In a recent meeting of leaders from some of the state's largest churches, many of them in booming Republican suburbs, the Restoration Project issued a blueprint calling for Patriot Pastors to register 500,000 new voters by the May 2006 primary, then inform and energize them with voter guides, rallies and so-called e-prayer networks on the Internet.

*Excerpted from "Movement in the Pews Tries to Jolt Ohio"  
by James Dao in [The New York Times](#) Sunday, March 27, 2005.*

**GOD is planting churches  
in small towns or exurban cities like Surprise, Ariz,  
where Lee McFarland saw Radiant grow from 350 in '99 to 5000 in '05.**

The spiritual sell is also a soft one. There are no crosses, no images of Jesus or any other form of religious iconography. Bibles are optional (all biblical quotations are flashed on huge video screens above the stage). Almost half of each service is given over to live Christian rock with simple, repetitive lyrics in which Jesus is treated like a high-school crush: "Jesus, you are my best friend, and you will always be. Nothing will ever change that." Committing your life to Christ is as easy as checking a box on the communication cards that can be found on the back of every chair. (Last year, 1,055 people did so.) McFarland's messages are light on liturgy and heavy on what he calls "successful principles for living" -- how to discipline your children, how to reach your professional goals, how to invest your money, how to reduce your debt, even how to shake a porn addiction. "If Oprah and Dr. Phil are doing it, why shouldn't we?" he says. "We should be better at it because we have the power of God to offer."

This is the vision of the new megachurch, and it's far more expansive than those of yesterday's megachurches and today's smaller churches. "The larger church expects a much higher level of commitment," says Dave Travis, who runs Leadership Network, a strategic consulting firm for megachurches. "The larger church expects you to be a more passionate follower of Christ, not just in the church, but in your community, your workplace and your home."

Maricopa County, where Surprise is situated, voted 57 percent for Bush to 42 percent for Kerry. In the run-up to the election, Radiant published nonpartisan voter guides in the church bulletin, and McFarland gave a sermon about the importance of voting, though he was careful not to express support for either candidate -- "God isn't a Republican or a Democrat," he said. Still, the very fact that McFarland's sermons are intended to feel "relevant," as he likes to say, means he at times takes on issues like abortion and homosexuality, both of which he believes are sinful. McFarland's views are rooted in his faith, but congregants may, no doubt, draw political conclusions.

but as he *learns* to grow into Jn14 Acts5:32, 1Pet1:22,23  
or as he *learns* born again truth he will be called to write  
more serious  
Bible based truth and obedient faith in the marketplace.**

**hence,  
then truly *living and working* 1Jn2:3,20-27,  
and just may  
grow into Christ Eph4:15 1Jn2:6; 3:6,9,24**

JOY AT WORK is a testament to the union between faith and work, and the concept of business as mission, which is exactly what the author practiced when he acted as CEO of the AES Corp, serving more than 40,000 employees in 31 countries. Dennis Bakke recounts this journey in JOY AT WORK.

The JOY AT WORK Bible Study Companion, written by Brad Smith, Bill Hendricks and Ray Bakke, starts in Genesis and travels through Revelation and examines the biblical roots of work, paying special attention to the topics of stewardship and mission. The study explores how the church equips people to serve in the workplace, and how the workplace can live out the concept of business-as-mission. This book is drastically changing the way we, as believers, approach work.

### GOD's parousia

GOD's parousia is clear to Jn15 1Cor2:6 1Jn2:6 1Jn3:6 since May '48  
Is9:6,7; 11:11,12 establishing many global ministries, 100% non-sectarian  
Jn14:6 1Cor1; 3 Eph4:5 yet not 100% in His agenda...lukewarm at best...so...

GOD must effect an iron rule over His house 2Tim2:20 as before, Moses and Paul  
Ex32 1Cor5 ([late '93 Bernardin](#)) as only true obedience and fear bring repentance  
till/for full forgiveness and remission or ceasing of sins Heb5:7-9 1Jn1:5-7; 3:9.

GOD clearly says He will judge and purge evil from His house 2Tim2:21 that  
His agenda is obeyed 100% since satan, self, sin rule the current church  
Jn8:44 1Jn3:8,10 from Acts20:29,30 1Jn2:18,19 so Jer7; 23; 44 is NOW.

GOD is ordaining Jn15 level as His elders, bishops, deacons to pray, discern,  
confirm, publish His agenda so Jn14 level pastors, teachers, workers serve Him  
and His family Tit1 1Tim3 1Cor12:28 Eph4:11 as 5:1,2,27 or 5:3-6.

GOD is establishing safe, simple [self-employment](#) for Jn14 level minimum enabling  
lay and clergy to volunteer in any CCCInc. church, hospital, rehab, school worldwide,  
so giving, not stealing, 2Thes3 as CCCInc. employs no one, ever.

GOD is purging and refining: World Vision for global evangelism; ACSI for  
school reform; Willow Creek into a true Christ-like, loving, [family life ministry](#)  
FGBMFI to qualify all lay believers using CCCInc. [Bible studies](#) globally.

GOD insists CCCInc. supply free housing to all qualified "overcomers"  
1Jn3:9; 5:4 and free education to all at Jn14 level, so repeating Acts2:42-47; 5:42;  
Jesus witnessing His love and power to all nations Is65 and 66(9:7).

All Biblical precepts are summarised in Gal5:6 "faith working by (agape) love" as GOD says faith is acting our confession, proving we believe till salvation Rom10:9,10,13 Heb10:38-11:6 1Pet1:7,9 so GOD episterizo souls thru fire 1Pet5:10, only if we prove greater than Mat5:44 1Pet1:22 love level i.e. merely moral, brotherly; but Jn13:35 Rom13:10 1Cor4:21 shows GOD's discipline, charity to and thru His, if Jn15:10-21, yet to grow thru further purging from affectionate level to His beloved ones 1Jn3:2.
